

PRESS RELEASE - February 18, 2009

**XClinical's participation in several upcoming events**

*XClinical is exhibiting at the DIA EuroMeeting, the ACDM Annual Conference and the CDISC Interchange Europe*

XClinical GmbH, Munich, Germany – Feb 13, 2009 – XClinical, a European vendor of innovative software products for eClinical trials, today announced its participation in the following upcoming events:

- the *ACDM Annual Conference "Mapping the Future"* in Northampton to be held on Mar 9 to Mar 10, 2009, in Northampton, UK
- the *DIA 21<sup>st</sup> Annual Euro Meeting "Expanding Healthcare Horizons"* to be held on Mar 23 to Mar 25, 2009, in Berlin, Germany
- the *CDISC Interchange Europe "Standards in Style"* to be held on Apr 22 to Apr 23, 2009, in Budapest, Hungary

The Association of Clinical Data Management's annual conference brings together an interesting mix of presentation and discussion. A number of contributors will share their experiences and their thoughts about future development of Clinical Systems in research. Use this opportunity to inform yourself about usage of CDISC-based tools throughout the eClinical process and appropriate technologies.

**Please visit us at booth# 1230**

With the Interchange Europe the Clinical Data Interchange Standards Consortium provides a “collaborative event to share progress, implementation experiences, and strategic ideas on worldwide data interchange standards for medical research”. It combines both, a conference for Data professionals including presentation sessions about the latest developments in data standards as well as a three day workshop providing an impact on ODM and SDTM standards.

The Corinthia Grand Hotel Royal  
Erzsébet körút 43-49  
1073 Budapest / Hungary
